Educating the Vertical Flight Leaders of Tomorrow

VERTICAL FLIGHT FOUNDATION ENGINEERING SCHOLARSHIPS

The American Helicopter Society's philanthropic arm, the Vertical Flight Foundation (VFF), was founded in 1967. The Foundation is an independent charitable trust, governed by a Board of Trustees, for the support of education in rotorcraft and vertical-takeoff-and-landing (VTOL) aircraft engineering. The Foundation's operations are made possible solely by tax deductible donations. Each year, the VFF awards scholarships to students who demonstrate an interest in pursuing engineering careers in the vertical flight industry. The Foundation has awarded more than 170 scholarships to students from throughout the world in the three decades since it was established.

The scholarships are merit-based and are awarded once as an Undergraduate, once as a Master's student and once as a Ph.D. student. Applicants must be in school through the full academic year following receipt of the scholarship. The value of the scholarships may range from \$1,000 - \$4,000 depending upon endowment earnings.

To be eligible for a scholarship, you must

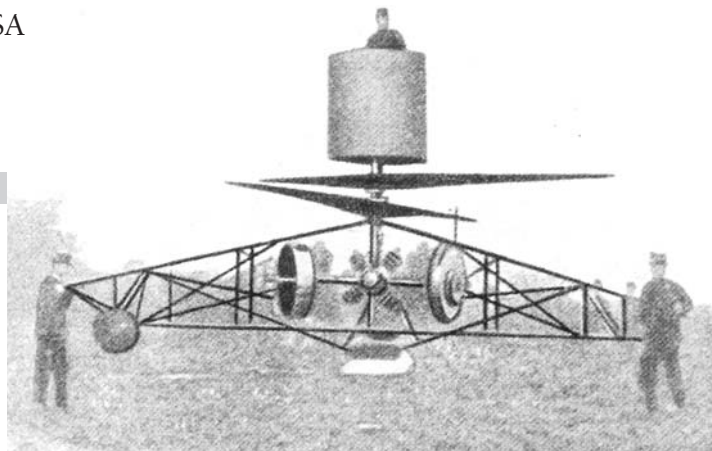

- Be a full-time student at an accredited school of engineering and be in school through the following full academic year.
- Complete the entire Application for Scholarship (Sections I, II & III)
- Submit the Application for Scholarship to the Vertical Flight Foundation, 217 North Washington St., Alexandria, VA 22314-2538, USA by February 1 for the next academic year (September - June). Postmarks will govern timeliness.
- Ensure that supporting data (references, transcripts) are received by the deadline.
- Submit an official grade transcript (including the most recent set of grades issued) and an academic endorsement from a professor or dean at your school. Items need not be submitted with the application but must be received by FEBRUARY 1 of the award year.

Other information

- The applicant need not be a member of the AHS
- Applications will be reviewed by the Scholarship Committee. The Foundation will award several scholarships annually, unless there are no qualified applicants.
- Information related to the applicant's citizenship, sex or age are used for statistical analyses only.
- Scholarship recipients will be notified by the Vertical Flight Foundation by April 15th.
- You may download a copy of the VFF application from our web site at www.vtol.org
