

## **Taste of the Grape & Vetro Art Glassblowing Studio** ***Based on 5 Hour Tour***

First we will tour and taste in two of Grapevine's most well renowned wineries. Delaney Vineyards winery in Grapevine was completed in 1996, three years after the vineyard was planted. The first bottling production was summer of 1997. The Grapevine facility contains 10 lush acres of Cynthiana grapes. Cross Timbers Winery Tasting Room is located in the historic Brock Farm. The Brock Farm is being lovingly restored for its new use by local resident and winemaker, Don Bigbie. From the wineries we will travel down Main Street to Vetro Glass located at the Train Station. Historic Grapevine is home to a group of artists who practice an innovative art form – glass blowing. Vetro Contemporary Glassblowing studio will have an hour demonstration of artists at work in this fascinating art form. Guests will be talked through the process as well as watching an artist create a piece. After the session guests will have a chance to purchase artwork from the co-op or order custom pieces should they so choose. Afterwards we will have time to shop on Main Street.
